Curriculum	Refine Technology program	Paige				
Curriculum	Refine Technology program	Paige				Develop Tech Scope & Sequence
Curriculum	Refine Technology program	Paige				Develop Technology Integration into Classroom
Curriculum	Establish Core Virtues and 13 Virtues	Paige				
Curriculum	Develop science program	Paige				
Curriculum	Develop science program	Paige				Align curriculum materials with our prog. Develop Hands-On Science Program/Labs (need preliminary plans by 3/1 for grants). Based on initial brainstorming session project includes:
Curriculum	Develop science program	Paige				Brainstorm/examine options for involving younger students in more traditional lab. For example, what pond scum looks like through a microscope, "at school field trips" for organ dissection, "hands-on" science days, etc. Investigate the materials/equipment need for the 6-8 science lab.
Curriculum	Develop science program	Paige				Review the curriculum for some "critical" points and see what sort of community connections/speakers we can bring in to illustrate science/math in real life. These will be tied to the subject matter at the time and experiments at the time (hopefully across grade levels if possible).
Curriculum	Foreign language options	Paige				Foreign Language Options (in school, technology options, fee-based before/after school) (Sasha Ferguson – this is not an area that I am focusing on).
Curriculum	Develop science program	Paige				Developing mathematics traditions for the school; Science fairs, lego robotics, others.
Curriculum	Establish Library	Paige				Recommendations for Character Circulation; Tying to 13 Virtues and grade levels for grant opportunities
Curriculum	Establish Library	Paige				Recommendations for Services and Vendors; Considering grade level distribution as well as areas of emphasis and Subscriptions
Curriculum	Establish Library	Paige				
Curriculum	Establish Library	Paige				
Curriculum	Establish parent training guidelines	6/1/2011	Paige			
Curriculum	Establish listing of volunteer opportunities	6/1/2011	Paige			
Enrollment	Fill 4 fourth grade classes	Staci				
Enrollment	Fill 2 5th grade classes	Staci				
Enrollment	Fill 2 6th grade classes	Staci				
Enrollment	Fill 1st-3rd grade classes	Staci			Done	
Enrollment	Finalize all enrollment documentation	4/1/2011	Staci			
Enrollment	Infinite Campus training	4/1/2011	Staci			Two volunteers
Enrollment	Fill classes	8/1/2011	Staci			Do this with admin transfers after April 15
Enrollment	Enter into into IC	8/13/2011	Staci			All students must be entered into Infinite Campus for verification of student count for funding adjustment purposes; including free and reduced lunch population.
