Why are you interested in serving on the BFA PTO? - I am interested in serving on the BFA PTO because I enjoy being a part of such an amazing group of people that are all so dedicated to the best interests of BFA. I have been a part of the PTO every year since my children have attended BFA and have really enjoyed the different roles and positions I have had. I enjoy being present in the school and helping where I am needed. I enjoy the friendships and great people that I have met thru the PTO. I enjoy being a part of such a large, important group of people who make a huge difference for our children at BFA. I really love how the PTO members all know each other and are all willing to help each other out, even if it's not in our specific role. I enjoy being a part of such a wonderful group of people and enjoy helping provide amazing extras for our students and staff at BFA.

Why do you think you would be a good fit for this position? - I believe I would be a good fit for this position because I have been a Room Parent for three years including this school year where I am currently a Room Parent for two separate classrooms. I understand exactly what needs to be done as a Room Parent and have successfully organized and put on dozens of class parties, raised money for teachers' gifts and helped the teachers with any additional requests they have needed. I feel very confident that I will be able to manage the large group of Room Parents and assist them to be successful. I know exactly what this role involves and I am willing to put the hours into building and supporting all the Room Parents. I get questions frequently from fellow Room Parents as how to handle certain situations or to clarify certain directions and I always know the answer and help point them in the right direction. I do feel like this would be a seamless transition as I know exactly how to be successful in this role. Over my three years in a Room Parent position, I have learned a lot and know exactly what works best to be a successful Room Parent where teachers enjoy coming to you for help and parents trust and engage in the emails and requests that are sent. I am highly organized and efficient at getting things done the right way the first time, which I feel like is a very important part of this position.

Is there any other information you would like to share? I enjoy helping at the school and being involved. I have volunteered over 100+ hours last school year and will be over 120+ volunteer hours this year. I am willing to put the time in to be successful in the Room Parent Chair position and would love to be given the opportunity to do so.
