Where will you go?	27 What is your favorite state? Why? Spaghetti lunch by staff Make duct tape boats	28 Four Mile Park Bring your lunch	29

**EVERYDAY** please bring: Water bottle(s), backpack, lunch and at least 2 snacks.

Apply sunscreen to your child prior to coming to camp each day. We also have a big bottle of Rocky Mountain Sunscreen SPF 50 at school.

Flip-Flops & Sandals are not the safest choice of shoe for playground, running and walking. If your child chooses to wear these, please send an alternate pair for our walking adventures. Each child will be given one program t-shirt and one daypack with a paid registration fee. These shirts are REQUIRED to be worn on days indicated on the activity calendar.

(Field Trips). Program shirts allow us to establish a sense of community and help staff supervise all children in various settings. Additional t-shirts can be purchased for \$10.

**All activities are subject to change.**
