SEPTEMBER 2013

A. SAC Report

1. DAC Representative – Jennifer Guitierrez-Hughes
2. Currently drafting survey for middle school parents and students
3. Currently drafting survey for primary school parents and students

B. Policy Review Recommendations

1. Complaint Resolution Policy
 - Page 2: outline should read “outlined”
2. Facility Use Policy
 - Accurate Number of Parking Spots? (81?)
 - Rates:
 - a. Bob discussed having a policy change for Scouts and DCSD events where we would charge a nominal \$1 rental fee. To implement this change, we could either give Bob discretion to waive the fees or set a new category for these events.
3. Traffic Policy
 - Part of the policy refers to “draft form until the new site is finished.” Maybe delete this portion since we are finished with construction.
