

BEN FRANKLIN ACADEMY CHARTER SCHOOL BOARD DIRECTOR AGREEMENT

As a member of the Board of Directors (Board) of Ben Franklin Academy (BFA), I agree to support the mission of the organization. I agree to meet the following expectations regarding my duties and responsibilities:

1. To know and participate in approving all policies that guide the organization, its governance, and its work.
2. To be familiar with the organization's priorities and initiatives, including its public policy activities and other initiatives. Along with the rest of the Board, I oversee (but am not involved in managing) the work of the organization.
3. To provide active assistance in public policy activities, including making contacts with key policy makers and participating in press conferences, delivering testimony, and otherwise supporting advocacy activities, working under the supervision of staff.
4. To dedicate my work on the board to satisfy the mission of Ben Franklin Academy.

Our mission is to develop young adults with character like America's founding Renaissance man, Benjamin Franklin: well-read, scientifically curious, and civically engaged.

Our students will excel academically through a challenging, sequenced curriculum that emphasizes math, science, and literacy. We will be a data driven institution, focusing on individual students. Our students, teachers, parents, staff, and leaders will be held accountable for the success of our school. Finally, we recognize that an education is incomplete without fostering the arts, sports, nature, and character.

5. To be active in monitoring the organization's income and expenses and reviewing and approving the annual budget.
6. To recognize that I serve on the Board as a trustee on behalf of donors and that it is my responsibility to ensure that the organization meets both legal and ethical standards for nonprofit, tax-exempt organizations.
7. To attend the required training meetings.

8. To review policies, budgets, minutes, reports, documents, etc. thoroughly prior to voting to either approve or deny the same.

9. To protect the reputation and well being of the organization. As a Board director, I pledge to carry out my responsibilities with the highest degree of integrity, to disclose any potential conflicts of interest, and to avoid all real and perceived conflicts of interest, both financial and programmatic. As part of that responsibility, I will comply with the letter and spirit of the organization's conflict of interest policy. I will specifically identify any potential conflicts of interest associated with public policy issues and will remove myself from discussion or voting on public policy positions and strategies about which I may have a real or perceived conflict of interest.

10. To respect, listen to, and treat courteously all people involved with the organization. I recognize that the organization exists to serve and strengthen its community and that staff, consultants, grantees, and applicants are partners with the Board in fulfilling its mission.

11. To commit eight (8) to fifteen (15) hours per month to the work of this Board and of the organization, and any extra effort that may be required in relation to fundraising events or other special activities.

12. To attend Board meetings regularly. I understand that I am expected to attend at least 90% of the Board meetings each year.

13. To serve actively on at least one standing committee and to attend committee meetings regularly, attending at least two-thirds of the scheduled committee meetings as well as special meetings as needed.

14. I agree to participate in fundraising activities.

a. I will make a personally significant financial contribution to the organization each year; it is up to me to determine the amount.

b. I will share names of prospective donors with staff responsible for fundraising and will assist in making solicitation visits and calls as part of the organization's annual campaign.

c. I will buy tickets to, attend, and participate in the planning and marketing of the organization's fundraising events.

d. I will talk about the work and achievements of the organization with colleagues and friends.

e. I will carry out other resource development activities consistent with my own skills and contacts and the needs of the organization.

In turn, the organization is responsible to me in the following ways:

1. I will receive quarterly financial reports timely, without having to request them, and will receive a draft annual budget for review prior to the meeting at which it is discussed and approved.
2. I can call on the Principal and/or Board President to discuss the research, public policy priorities, other initiatives, policies, and operations of the organization. They will provide information willingly and answer any questions thoroughly.
3. Other Board directors and appropriate staff will respond in a straightforward and thorough fashion to questions I need answered so that I can carry out my fiscal, legal, and moral responsibilities to the organization.
4. I will be kept informed about the progress and problems of the organization, and will receive accurate, complete, and timely information about any issues or problems that may have major impact upon the organization, its staff, or Board.
5. The organization will maintain Directors and Officers insurance to limit my legal liability, and the President or his/her designee will maintain appropriate financial, personnel, and other management systems and procedures to minimize the possibility of legal or financial challenges.
