Please limit your remarks to two minutes. Groups representing a consistent viewpoint are encouraged to select one spokesperson to address the Board.

The Board may choose to respond to public comments during this open forum but is not required to do so. The Board will only take action on items listed on the agenda. For other matters, the Board will receive comments only, and may, at its discretion, refer the matter or calendar the issue for future discussion.

This is our opportunity to hear from students, parents and patrons for deliberation and discussion.

MISSION

The mission of Ben Franklin Academy is to develop young adults with character like America's founding Renaissance man, Benjamin Franklin: well-read, scientifically curious, and civically engaged.

VISION

Our students will excel academically through a challenging, sequenced curriculum that emphasizes math, science, and literacy. We will be a data driven institution, focusing on individual students. Our students, teachers, parents, staff, and leaders will be held accountable for the success of our school. Finally, we recognize that an education is incomplete without fostering the arts, sports, nature, and character.
