

Ben Franklin Academy appreciates your interest in donating books to our library in order to improve our collection. However, because of advances in technology, science, and changes in beliefs about appropriate content for children, we have designed a Library Donation Policy to keep with our mission of providing the most accurate and updated information, as well as supporting the educational program of the school.

We can accept the following donations:

- Recent (within 7 years) fiction in good condition
- Recent (within 7 years) non-fiction in good condition
(Classic books can be older)

Items we can not accept:

- Encyclopedias
- Textbooks
- Books on Technology, Science, Social Studies, and Geography published more than 5 years ago
- Books that are yellow, broken, damp, soiled, written in, or have torn/missing pages

All donations become property of Ben Franklin Academy and may be disposed of at the discretion of the Administration.
