

Fundraising Report

February 2016 Report

The fundraising committee meets the first Tuesday of every month at 8:15 in the conference room

Old Business:

None

New Business:

It was brought up through the PTO on who does the actual fundraising done by and what grades does it benefit. Majority of MS fundraising goes to 8th grade for DC trip in spring. Kids are helping out when needed but this year has not been a high year for funds needed by 8th grade.

MS Dance requested 500 from PTO but had no real clear direction as to what, where, when and why they needed the money. It was suggested that they formulate a budget and return to the PTO for 1 time funds and then ticket prices will pay forward for future years.

Jamie Johnson came and spoke about MS Music Trip to Disney Land, CA. The trip is about \$1200 per kid, would occur every 3 years so your child only has one shot at attending while in MS. She is going to come back next month with possible interest numbers and how they would fundraise for that trip. Possible dates are 4-20-17 to 4-24-17
