

February 2016 SAC Report

Activities Since Last Update

In their regularly scheduled meeting in January 2016, the SAC reviewed the following policies:

- Inventory Management Policy - No comments, although there were questions about who ensures compliance with the policy, whether there is an audit, and if the primary focus is on the technology pieces.

Other Items for Board Consideration

- For the Board's information: The parent survey is scheduled to begin this week. Student volunteers from the National Junior Honor Society will assist in getting parents to fill out surveys during parent-teacher conferences. Links will also be sent out in Principal Barber's newsletter and individual teacher emails/newsletters.
- There will be two openings on the SAC this spring (member terms expiring), so please let us know if the Board has recommendations for people to reach out to or invite to apply.
