PTO/TEACHER SPECIAL REQUEST FORM

The BFA PTO recognizes our teacher's efforts in the classroom and supports those endeavors for which funds are not otherwise available with regular school budgeting. Funding is available because of the PTO's continued commitment to fundraising. Each year, we will set aside a special amount in our PTO Budget for teacher needs and we hope to always be able to accommodate your requests. The request will need to be approved by the Officer Board of the PTO and the Principal. Filling out a request, does not guarantee approval. Please Note: Your efforts to help with our fundraising are important, and we need your support! We truly appreciate all of the staff participation in all of our fundraisers. Thank you!
