## **Disciplinary Procedures and Childcare Referral Form:**

**Purpose:** We believe all children have the right to be happy, healthy, safe, and develop positive relationships with children and adults. Our childcare staff help children turn misbehavior into opportunities to learn and be self-directed through use of verbal/nonverbal interventions, providing options, problem-solving, re-direction, separation, and natural/logical consequences. When children choose behavior which disrupts or threatens to disrupt the operation of the program, which interferes in any way with the rights and privileges of others, which endangers the health or safety of any person, or which damages property, disciplinary actions will result. These actions may include but not be limited to temporary dismissal and permanent removal. Children with disabilities are subject to the same disciplinary procedures as children without disabilities.

**Childcare Referral Forms:** The intent of the Childcare Referral Form is primarily a communication system between parents and the childcare program. Typically, a

# BEN FRANKLIN ACADEMY

Childcare Referral Form will be issued after a verbal and/or written warning has been given and other program interventions (as listed on the Childcare Referral Form) have failed. Referral forms are issued immediately after severe behaviors.

**Parent Involvement:** Parents are asked to review the form and talk to their child about appropriate behavior at the program. They are also asked to sign the form to verify receipt and keep the white copy for their records. Parents are encouraged to contact the Summer Camp Director anytime to discuss the incident resulting in the Referral. These incidents do NOT become part of the child's school record.

**Procedures:** Children who receive three (3) referrals during the same school year will be temporarily dismissed from the program at the discretion of the Camp Director, usually 2-5 days. Parents will receive a notice of temporary dismissal along with the most recent referral indicating effective dates of dismissal and reinstatement. Children who receive four (4) referrals in one month will be permanently removed from the summer camp program. Parents will receive a notice of permanent removal along with the most recent referral.
