

## SCRIP Gift Card Program - Say THANKS!

### Holiday staff gift giving with SCRIP is back again.

The BFA community will be using the SCRIP gift-giving program again this year to gift our incredible teachers and staff. SCRIP streamlines the gifting process by allowing each participating family to consolidate all their gifts into just one order form and payment.

**When:** Collections will take place December 1-7. Gift amounts in total will be communicated to staff during the week of December 10. And, gift cards will be distributed to staff on December 21, the last day of school before Winter Break.

**Where:** **Online via the [BFA Store](#) and pay by credit card.** OR, download and print a [paper order form](#) and pay by check. You may return your completed order form and check to the red lockbox in the school office. Also, look for SCRIP volunteers during afternoon carpool on Thursday, December 6, collecting paper order forms and checks.

**How:** With either option, you may designate how much you would like to give to each staff member in dollar increments.

BFA receives fundraising dollars from SCRIP in the form of a rebate, ranging from 2-21% per gift card. This rebate is a result of buying the gift cards in bulk and does not affect the staff gifts.

**The SCRIP gift-giving program replaces any other class gift/collection.** Room parents will not be collecting money for class gifts nor will they be collecting SCRIP order forms. Participation is voluntary and you are still welcome to gift staff members outside of the SCRIP program.

The PTO hopes you'll remember all those staff members who go the extra mile and help make our school such a wonderful community. Every \$1 donation adds up. If you have questions, please email the [SCRIP Coordinator](#).
