Nominee Qualifications**Tell us why your nominee should serve on Ben Franklin Academy's Board of Directors.**

I have a very long history of interest in education, but I went to law school after completion of college. I have now been an attorney for 12 years, and would like to make a meaningful contribution to Douglas County and more specifically, Ben Franklin where my kids will be educated for the next eight years.

Nominee's Biography, include other charter school experience.

I have been a litigator for 12 years, but my most important title has become Mom. I have two little boys: Nicholas (5) who is a Kindie at BFA and Matthew (3). I want to continue to show my children that success comes in many forms, and that giving back to your community is important and rewarding.

What role do you see the nominee playing on Ben Franklin Academy's Board of Directors?

My contribution will include a detailed evaluation of both sides of an issue, which I have been "practicing" for many years as a lawyer. I appreciate obtaining information on various issues and providing perspective on advantages and risks

What strengths/experience do they bring to the Board?

Many attorneys are "type A" personalities which can make discussing issues and finding solutions more challenging. I can speak directly on an issue, but also listen to the opinions of others in determining the appropriate outcome.

Is the nominee willing to commit to attend board meetings each month and events each year, in addition to spending some time on committee work?

Of course.
