EXECUTIVE OFFICERS

VICE PRESIDENT

Your name: Denise Battista

Number of children enrolled at BFA and grades: 2. 3rd and 4th

How long has your family been at BFA? 7 years

How many PTO meetings have you attended in 2019-2020? 5

Why are you interested in serving on the BFA PTO? I have been on the PTO for the last 5 years. I enjoy it and would like to continue working with the team and contributing my time to Ben Franklin Academy!

Why do you think you would be a good fit for this position? I held the position of Spirit Night Coordinator for the first two years in the BFA PTO. I moved on to become the Sponsorship Coordinator and have held this position for the last 3 years. The Vice President position appeals to me as it is additional commitment as well as involvement directly with the school. I feel that I can be an asset in this role not only because of my education/background, but also because I am capable of prioritizing, managing and pushing projects forward. I am ready to take on this new, more challenging role. I enjoy contributing to the continuous building on the foundation that was laid before us, in an order to keep the school great!

Is there any other information you would like to share? I am very passionate about Ben Franklin Academy and love being a part of its growth and success!

SECRETARY

Your name: Shauna Kramer

Number of children enrolled at BFA and grades: 2. Kindergarten & 2nd Grade (in 2020-2021 school year)

How long has your family been at BFA? 2 years

How many PTO meetings have you attended in 2019-2020? 5

Why are you interested in serving on the BFA PTO? I am honored to have been nominated for a BFA PTO Board position(s). A position such as this greatly interests me as although I have enjoyed acting as Spring Social Committee Chair and being a part of the PTO since 2018, I would seek a position such as this to deepen my knowledge and understanding about the school as my children become older and experience more of what BFA offers. Secondly, I see a board position as an avenue to continue to build my relationships with fellow BFA families. I strongly believe that a school needs their student's parents to be involved so that it is a better educational experience for the students and demonstrates support and commitment to the teachers/staff.

Why do you think you would be a good fit for this position? I believe that I would be a good fit for this position(s) as I've gained years of varied experiences in the corporate world prior to deciding to stay home when my first son was born. I spent my career in Human Resources which has allowed me to have honed my skills in many different facets of teamwork, project management, interpersonal relationships, administration, conflict resolution and problem solving. In addition I am detail oriented, self motivated and able to learn quickly.

Is there any other information you would like to share? I am pleased to serve the BFA PTO in whatever capacity is needed!

From showing the teachers how much we support them to the different activities for the kids, enhancing the academic experience for all the children of BFA is something I hold near to my heart.
