How to log in and submit an assessment excusal:

To use the parent portal, you must have an active parent portal account. If you do not have a parent portal login, please contact your school to request an activation key.

1. Go to <https://engaged.dcsdk12.org>
2. Log in with your parent portal credentials (same as your Infinite Campus login).

3. Locate the student you are excusing from state assessments. Select "Submit Excusal Request" to link to the State Assessment Excusal Form. Repeat the process for additional students. Select "Update Excusal Request" to make any changes for assessments already submitted.

4. Review parent acknowledgement.

Parent Acknowledgment

- I understand Colorado requires all students enrolled in a public school to participate in state academic assessments as specified in the state law. I also understand that Colorado provides parents the right to excuse their child from state mandated testing.
- I understand the accuracy of state accountability data is impacted when students do not participate. The true performance of my child's school and teachers will not be captured in the state-reported achievement and growth scores.
- I understand by excusing my child from specific state testing, my child and school will not receive this specific data to track progress.
- I understand my child will not be penalized by the school for not participating in state mandated testing (including, but not limited to, prohibiting school attendance, imposing an unexcused absence, or participation in extracurricular activities).
- I understand by selecting the following assessments I am also excusing my child from the alternate forms of the assessment (CoAlt: Alternate Science and Social Studies and CoAlt: Alternate English Language Arts and Mathematics - DLM)
- Although on-site supervision cannot be guaranteed for students who do not take the state-mandated assessments, schools may use staff and volunteer resources to the best of their abilities to provide on-site supervision. Please check with your school for availability.

5. Click the box for any available assessment you wish your student to be excused from for the current academic year. All assessments you select for excusal will appear with a red icon.
