## Give your kindie a great head start!

Students will be introduced to the Kindergarten academic atmosphere and to the Ben Franklin Academy campus. Students will become familiar with kindergarten rules, expectations, activities, and fun! Along the way they will make some new friends! School in the fall won't be quite as intimidating for these kindies.

Registration starts 05/05/22 and will be first come first serve. Sign up here for one of the sessions (16 slots per session):
