MISSION

The mission of Ben Franklin Academy is to develop young adults with character like America's founding Renaissance man, Benjamin Franklin: well-read, scientifically curious, and civically engaged.

VISION

Our students will excel academically through a challenging, sequenced curriculum that emphasizes math, science, the arts, and literacy. We will be a data-driven institution, focusing on individual students. Our students, teachers, parents, staff, and leaders will be held accountable for the success of our school. Finally, we recognize that an education is incomplete without fostering social emotional development, character, sports, and nature.

- 2) Maintain financial stability and transparency with a focus on facility management and improvement
- 3) Increase parent satisfaction and engagement and demand for enrollment
- 4) Retain and recruit high quality staff
