**SAC Purpose**

The purpose of the SAC is to provide accountability in an advisory capacity by informing, encouraging and providing opportunities for parent and community stakeholders to be involved in the planning and evaluation of the school’s instructional program and quality improvement processes. The SAC makes recommendations concerning the school’s budget, performance/improvement plan, and meets at least quarterly to discuss implementation of the school’s plan and other progress pertinent to the school’s accreditation contract with the Board of Education. Final decision-making authority rests with the Principal or other person or group receiving the recommendation from the SAC (e.g., the Superintendent, District Accountability Committee (“DAC”), Board of Education, or BFA Board).
